'Loving, Learning, Living as we journey together to enable everyone to flourish'

Friday 8th April 2022

It was lovely to see all of the school together in the church this morning for our Easter Service, celebrating the end of term. I would like to thank all of the staff here at Felton for their incredible hard work this term in giving all of our children the best learning experiences that we can offer. I would also like to say a huge well done to the children who have worked so hard in everything that they do - we are all very proud of them. Our children have written to our MP, taken part in observatory workshops, demonstrated courageous advocacy around climate change, visited Nissan, raised money for Ukraine, looked after chicks and dressed up for world book day (and more!)... all alongside their curriculum learning and mini adventures - Wow! I would also like to thank all of our parents and carers very much for all of their support this term, as I moved into the role of Acting Head. Recruitment for the new headteacher should happen soon after the Easter Break, and we will keep you updated with this as soon as we can. Our summer term plans are coming together nicely and we are hoping to invite you into school for some class assemblies, as well as for some Queen's Jubilee celebrations. In collective worship, we will be exploring the story of The Road to Emmaus and how it links to our vision. We are also planning to go out on a whole school trip in July. Remember that the village is holding events over Easter in the Village hall - please see the flyers attached for the details ; we would love to see some crafty entries into the Easter competition!

We wish you a very Happy Easter, and hope that you have a restful break. We are looking forward to seeing you all back at school on Monday 25th April.
