Friday 27th May 2022

It has been another very busy half term here in school, with lots and lots going on. Once again, the children and staff have worked so hard to make sure that incredible learning experiences are enjoyed by everyone each week. I hope that you enjoyed seeing a snapshot of some of the work we have been doing linked to climate change as well as our mini adventures when visiting our Jubilee Celebrations this afternoon - it was amazing to be able to welcome our community back into school after such a long time.

After half term we will be appointing our two new teachers for the Adventurers and the Voyagers; the children are already looking forward to meeting candidates and taking part in some of the interview process.

FSFA

As I mentioned this afternoon, we would really love to reinvent and relaunch our Felton School Friends Association (FSFA) who have made a huge impact on our school over the years, enabling us to buy new whiteboards, reading books, and much much more. As well as this, they have given us fantastic events like the Duck race, Fairs and discos for our children. If you think that you could help in ANY way, please email me (jane.leithead@felton.northumberland.sch.uk) and I will be in touch next half term. The more the merrier!
