

Felton C of E Primary School Newsletter

'Loving, Learning, Living as we journey together to enable everyone to flourish'

Friday 8th July

We have had another great week in school and enjoyed lots of different activities! The Voyagers and Pioneers enjoyed their Sports Day on Tuesday (see some pictures [here](#)) and all the classes have managed to get plenty of time outside! The Adventurers are preparing for their 'Big Me' celebration next week, and have also been working in teams to become entrepreneurs, Apprentice style! All of the classes enjoyed a successful transition day on Wednesday, meeting their new class teachers and Mrs Lucas the new headteacher. She was also very pleased to meet some of you on Wednesday - Thank you!

Northumberland Library - Summer Reading Challenge

We began the week with a visit from our local Library Service, who talked to Years 1-6 about the Summer Reading Challenge; all of the children received a bookmark on Monday with details of the challenge, but you can find more information [here](#). Remember that our libraries in Northumberland are free and you can borrow up to 20 books at a time! Over the summer holidays there are also lots of events going on in the libraries; you can find information about their events [here](#).

Felton Fair

Remember that the Fair is coming up tomorrow, the 9th of July! All of the children have completed a piece of artwork to be displayed so do go and have a look. An entry form for the fun run is attached at the end of this newsletter, or you can enter on the day

FSFA

Next **Friday, 15th July**, we will be holding a meeting at **9.00am** to plan some events in the coming year with the Felton School Friends Association - Thank you to those who have kindly volunteered already, we are looking forward to seeing you! There is still plenty of scope for more volunteers so please do come along if you feel that you can give some time.

Spotlight on ... The Pioneers!

This week has been spent hard at work rehearsing our end of year production: A Midsummer Night's Dream. The Pioneers have been working so hard to learn their lines and rehearsals are going so well that we went into the forest and started staging each scene. We have also started to weave willow crowns and garlands for our costumes. The Pioneers can't wait to share their finished production with friends and families.

Dates for your diary
