'Loving, Learning, Living as we journey together to enable everyone to flourish'

Friday 14th January 2022

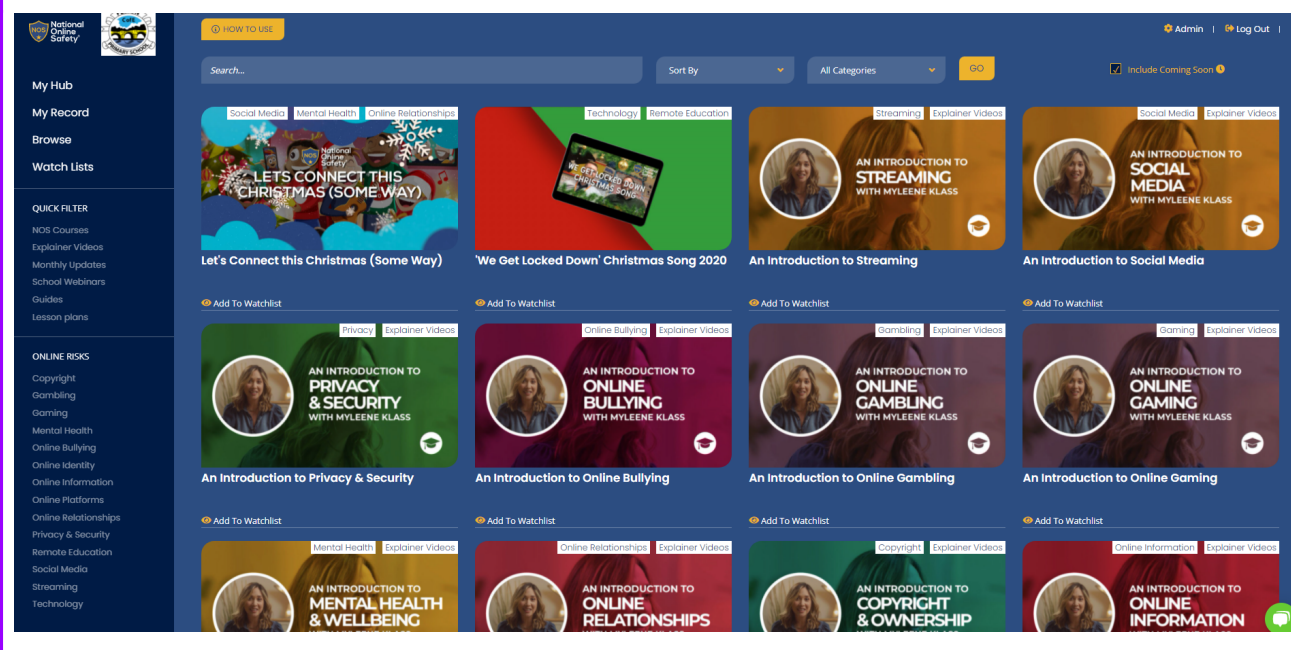

We have had another great week here at school and are getting into our new mini adventures across the school. The detailed information for each class is available on the website, click on these links to find out more: [Explorers](#), [Adventurers](#), [Voyagers](#), [Pioneers](#).

## National Online Safety Hub

We have recently invested in a subscription to the National Online Safety Hub, which is an incredible resource for parents, with webinars, courses and quick guides available for you to use. It also provides our staff with resources and training to facilitate our teaching of online safety. To register for our school's portal, click on [this link](#).

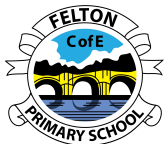

When you have registered as a parent of the school, you will be able to search the huge array of resources available to you. The webinars are usually just under an hour long, and the courses are slightly longer. Once logged in, your screen should look like the picture below. You are able to search for a variety of topics, or click on the links on the left hand side to find what you are looking for.

We are really excited that we are able to offer you this resource and hope it will support all of our families with ensuring that our children are safe online.

## Loving, Learning, Living Certificates

We began giving out our certificates this week for things which really demonstrate our 'Loving, Learning, Living' vision. We talked about letting our lights shine for everyone to see the amazing things we are doing in school. Congratulations to all those who received them this week.

## Spotlight on ... **The Pioneers**

This week the Pioneers have been making bread in DT - it tasted nice and the structure was good; next time they are going to make it look appetising! The Pioneers have begun to read *Holes* by Louis Sachar, and have been doing some role play, inferring a character's motivations, as well as writing some letters from the perspective of the main character.

## Student Council

This week we have relaunched our student council in school and elected representatives from Years 1 - 6 to the council. The student council will be responsible for representing their class' views on aspects of the school, and making decisions on some areas of school life. The Student Council reps are:

Year 6: Lachlan

Year 6: Reuben

Year 5: Arthur

Year 4: Betty

Year 3: Annie

Year 2: Bibby

Year 1: Versuri

## Dates for your Diary

9 - 11.2.22: Robinwood residential trip for Years 3, 4 & 5

18.2.22: Break up for half term

28.2.22: Return to school

Have a wonderful weekend!

*J. Leithead*

Ms Jane Leithead, Acting Headteacher
